Flowery Elementary School
17600 Sonoma Highway
Sonoma, CA 95476

Dear Mr. Ledson,

On behalf of the Flowery Community, especially the children, we would like to thank you for your generous donation to our school. By matching our Jog-A-Thon proceeds, the 5th grade class can participate in the Outdoor Education experience where they learn to appreciate nature while living in it.

They will be gearing up for the Headlands trip, our annual 5th grade outdoor education experience, knowing for certain that they will be going. This program would not be possible without donations such as yours. Not only is this an educational opportunity for the 5th graders but also an experience they will carry with them for a lifetime.

Flowery Elementary School is a Sonoma Valley Unified School District public school, serving a variety of children in the Sonoma Valley. Our school prides itself on providing an alternative educational experience through dual language instruction, where all children have a voice no matter what language they speak and the opportunities in which to educationally succeed.

We appreciate and are honored to be the recipients of your generosity.

Sincerely,

Janine Tommasi
PTO Member
