

Music of the Heart Benefit
for the
Savannah Hill Music Scholarship Fund
Of Community Foundation Sonoma County

Santa Rosa Memorial Park is honored to sponsor the Savannah Hill Music Scholarship Fund Benefit ~
Music of the Heart!

When Savannah Hill passed away at the age of ten, her family and friends wanted her beautiful brilliance to shine on. In her memory, they established a memorial scholarship fund focusing on music education for children. Savannah accomplished much in her short time and was a valued player in the Santa Rosa Symphony Preparatory Orchestra, playing a violin lovingly hand-crafted by her father. The Savannah Hill Music Scholarship Fund has already purchased instruments and supplies for several schools.

In Savannah's memory, Santa Rosa Memorial Park will host a vocal concert benefit and a free jazz concert on October 16, 2005. The vocal concert is in cooperation with Project Applause, a nonprofit organization dedicated to creating performance experiences for vocal students. The concert will be followed by an elegant wine reception featuring Ledson wines. The V.I.P. reception will be held in our Odd Fellows Mausoleum, which memorializes historical dignitaries such as the Doyle and Ledson families. The classical German, French, Italian, and English solo vocal repertoire will be an event to remember.

Classical Vocal Concert & Wine Reception

2-5 PM • October 16, 2005

Chris Smith ~ Master of Ceremonies

Guest Artist ~ Christopher Fritzsche

Internationally recognized, Grammy award winning, countertenor Christopher Fritzsche is the featured vocalist. As a member of the men's vocal ensemble, Chanticleer, he performed in over 1000 concerts, appearing with the New York Philharmonic, the Atlanta Symphony, and the St. Paul Chamber Orchestra.
